

## Employability

Boost your job prospects with practical skills and confidence. Whether you're starting out or upskilling, we'll support your path into work or further learning.

### What You'll Learn

- ▶ **CV Writing** – Learn how to create a professional, effective CV that highlights your strengths.
- ▶ **Interview Techniques** – Gain confidence and skills to present yourself well in interviews.
- ▶ **Job Search Skills** – Get expert advice on how to find the right roles for you.
- ▶ **Professional Presentation** – Develop the ability to present yourself confidently and professionally.
- ▶ **Networking** – Build connections with peers and professionals to support your job search.

### Why Choose Us?

- ▶ Our courses are designed to help you enter or return to the workplace with confidence.
- ▶ Suitable for beginners or anyone looking to upskill.
- ▶ Ongoing support into work or further study.
