

I hope you enjoyed looking around your new school. Hazel and Haris are saying goodbye now, but they will see you in September. Can you please draw us a picture of you in the space below and bring it with you on your first day at school.

## **Children's Guide**

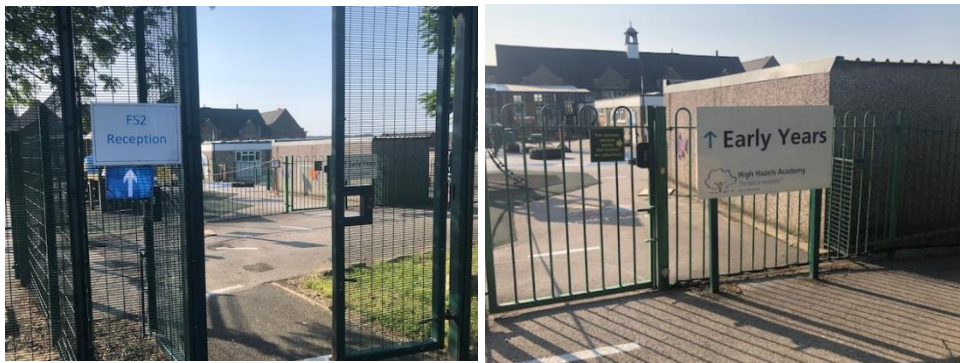

# Starting My New School

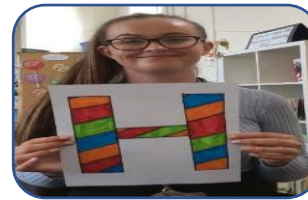

This is Hazel and Haris and it is their first day at school too. Let's have a look around together.

This is the gate where your adult will drop you off in the morning and pick you up at the end of the day.

These are my teachers.

Miss Hibbert

Mrs Nawaz

Mrs Ahamed

Miss Burgin

Mrs Victor

This is where we go to the toilet and wash our hands.

There are 3 classrooms, I wonder which one will be mine?

This is where we have our dinner. Hazel brings a healthy packed lunch but Haris likes to have a school dinner especially Fish and Chips on Tuesday and Friday

We love to play and learn outside.
